

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

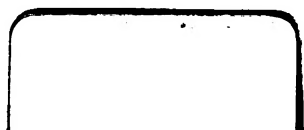

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. REGULATIONS.

1. The School is for the instruction of the children of officers.
2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the D.A.A.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per annum: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the D.A.A.G. It is to be understood that the children must be ready to the minute named.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

A ball is hoisted at the top of Q lines, S.O., five minutes before every hour daily (Sundays excepted), from 8 a.m., till retreat. The ball falls at the hour upon which the bell is struck. The bell sounds from 6 a.m. to 10 p.m. daily:

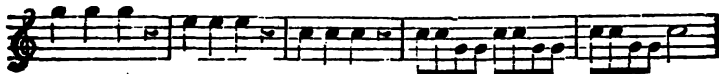

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm."

AMUSEMENTS.

GENERAL COMMITTEE FOR CLUB HOUSE AND GROUNDS.

President—Lieut.-General R. Wardlaw, O.B.

Members—The Commanding R.E. The A.A.General, or A.Q.M.General, and a Representative from the Sub-Committee of each Amusement.

Secretary—Captain W. Bennett, D.A.A.G., for Musketry.

The Club House is kept up entirely at the expense and for the use of the Officers of the Division; the Committee therefore relies upon receiving the customary support from the Division, in the form of voluntary regimental or individual subscriptions.

Annual Subscription to be considered due on 1st October, and to be sent to the Secretary.

OFFICERS' DRAMATIC CLUB.

President - - - - - M. General F. Peyton

Secretary - - - - - Captain W. S. Thorburn, 41st Regt.

Mrs. Longman. Mrs. Newcome.

HONORARY SECRETARY:

TREASURER:

Major Nicholson, R.H.A., 1, Avenue Road.

HOME SUPERINTENDENT:

C. Wood (Deaconess).

The Association has established a Mission House at Eagle Terrace, Aldershot, under the superintendence of a Deaconess, who is assisted by a Mission Woman and a Nurse.

The House contains:—

- 1.—A *Creche* open from 8 a.m. till 5 p.m. for Children from 1 month to 3 years old.
- 2.—A Home where respectable Girls out of Place can obtain Lodgings for a small daily payment.
- 3.—Rooms for Mothers' Meetings, Street Boy Classes, etc.

It is proposed to establish a Lending Library in connection with the Home. A Clothing Club is already established.

In addition to the superintendence of the Home the Deaconess, assisted by the Mission Woman, spends much time in Visiting and assisting the Poor.

The Deaconess is at home till 10 a.m. to receive any poor people who may wish to see her, and the *Creche* is open to the inspection of ladies who may kindly take an interest in it, on Wednesdays, from 2 till 4 p.m.

The Mission is entirely supported by voluntary Contributions, and the large expenditure necessary to start it in October last has led to a heavy drain on the funds. Help is therefore urgently required, and the Association will thankfully receive either.

Subscriptions or Donations, which may be paid to the London and County Bank, the Hon. Secretary, or the Treasurer. Subscriptions half-yearly, on Lady Day and Michaelmas.

Gifts of Clothing of all description for distribution by the Deaconess, and, as the Home is not yet entirely fitted up, of furniture.

REGULATIONS.

1. The School is for the instruction of the children of officers.
2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the elder children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the D.A.A.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per annum: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the D.A.A.G. It is to be understood that the children must be ready to the minute named.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

A ball is hoisted at the top of Q lines, S.C., five minutes before every hour daily (Sundays excepted), from 8 a.m., till retreat. The ball falls at the hour upon which the ball is struck. The bell sounds from 6 a.m. to 10 p.m. daily:

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's but South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted below the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted alone, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm."

HOME SUPERINTENDENT:

The Association has established a Mission House at Eagle Terrace, Aldershot, under the superintendence of a Deaconess, who is assisted by a Mission Woman and a Nurse.

The House contains:—

- 1.—A *Creche* open from 8 a.m. till 5 p.m. for Children from 1 month to 3 years old.
- 2.—A Home where respectable Girls out of Place can obtain Lodgings for a small daily payment.
- 3.—Rooms for Mothers' Meetings, Street Boy Classes, etc.

It is proposed to establish a Lending Library in connection with the Home.

A Clothing Club is already established.

In addition to the superintendence of the Home the Deaconess, assisted by the Mission Woman, spends much time in Visiting and assisting the Poor.

The Deaconess is at home till 10 a.m. to receive any poor people who may wish to see her, and the *Creche* is open to the inspection of ladies who may kindly take an interest in it, on Wednesdays from 2 till 4 p.m.

The Mission is entirely supported by voluntary Contributions, and the large expenditure necessary to start it in October last has led to a heavy drain on the funds. Help is therefore urgently required, and the Association will thankfully receive either.

Subscriptions or Donations, which may be paid to the London and County Bank, the Hon. Secretary, or the Treasurer. Subscriptions half-yearly, on Lady Day and Michaelmas.

REGULATIONS.

1. The School is for the instruction of the children of officers.

2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the D.A.A.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per annum: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the D.A.A.G. It is to be understood that the children must be ready to the minute named.

THE MILITARY TELEGRAPH OFFICES

Are at the Asst. Adjutant General's Office, Q lines, S.C. and the Cavalry, 2nd Infantry, and 3rd Infantry Brigade Offices; and are open on week days for the transmission of telegrams from 9 a.m., till 8 p.m., or later if necessary, and on Sundays from 1st May till 31st August, from 7 p.m., till 8.30 p.m.

Official Messages connected with the Arrival or Departure of Troops, or Messages on the Railway Companies' business, such as the ordering of horse boxes, &c., can be sent *free* by Officers of the Division from any of the Military Telegraph Offices to the Station-Masters at either the Aldershot (S.W.R.), Farnboro (S.W.R.), or Aldershot (North) Camp (S.E.R.) Stations.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

A ball is hoisted at the top of Q lines, S, C., five minutes before every hour daily (Sundays excepted), from 8 a. m., till retreat. The ball falls at the hour upon which the bell is struck. The bell sounds from 6 a. m. to 10 p. m. daily.

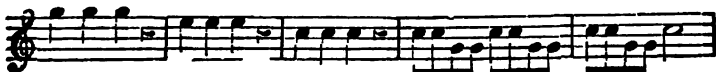

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm,"

It is calculated that a sum of £5 from each Regiment on arrival, with a like amount annually from the R.A., R.E., Commissariat, and such other Corps or Departments as are permanently represented in the Division, and 10s. each from Staff and other Officers not connected with regiments, will suffice to maintain the establishment in a state of efficiency.

Annual Subscription to be considered due on 1st October, and to be sent to the Secretary.

President - - - - - M. General F. Peyton

Secretary - - - - - Captain W. S. Thorburn, 41st Regt.

One Shilling is charged for admission, which includes tea and coffee.

President—

Music Director—Captain C. W. B. Bell, 8th Hussars.

Those who may be inclined to assist are requested to send in their names.

During the winter months there is an instrumental promenade concert (military band) in the Club House from four to six every Wednesday afternoon on which there is not to be an "Officers Music Society" concert. No announcement beyond the notice at foot of Divisional Orders of the band that will perform, is made of these weekly concerts.

The charge for admission to them is sixpence, which includes afternoon tea.

OFFICERS' CRICKET CLUB.

President; - - - - - M. General F. Peyton

Divisional Captain - - - Capt. J. M. Evetts, 16th Lancers.

Secretary and Treasurer - Major G. F. Gildea, Insp. of Gymnasia

Season commences 1st May, when both grounds will be available for practice.

PRESIDENT:

The Lord Bishop of the Diocese.

PATRONESSES:

Mrs. Harold Browne. Lady Steele. Lady Elphinstone.
Mrs. Longman. Mrs. Newcome.

HONORARY SECRETARY:

Mrs. Puget, Aldershot Park.

TREASURER:

Major Nicholson, R.H.A., 1, Avenue Road.

HOME SUPERINTENDENT:

C. Wood (Deaconess).

The Association has established a Mission House at Eagle Terrace, Aldershot, under the superintendence of a Deaconess, who is assisted by a Mission Woman and a Nurse.

The House contains:—

- 1.—A *Creche* open from 8 a.m. till 5 p.m. for Children from 1 month to 3 years old.
- 2.—A Home where respectable Girls out of Place can obtain Lodgings for a small daily payment.
- 3.—Rooms for Mothers' Meetings, Street Boy Classes, etc.

It is proposed to establish a Lending Library in connection with the Home. A Clothing Club is already established.

In addition to the superintendence of the Home, the Deaconess, assisted by the Mission Woman, spends much time in Visiting and assisting the Poor.

The Deaconess is at home till 10 a.m. to receive any poor people who may wish to see her, and the *Creche* is open to the inspection of ladies who may kindly take an interest in it, on Wednesdays, from 2 till 4 p.m.

The Mission is entirely supported by voluntary Contributions, and the large expenditure necessary to start it in October last has led to a heavy drain on the funds. Help is therefore urgently required, and the Association will thankfully receive either.

Subscriptions or Donations, which may be paid to the London and County Bank, the Hon. Secretary, or the Treasurer. Subscriptions half-yearly, on Lady Day and Michaelmas.

Gifts of Clothing of all description for distribution by the Deaconess, and, as the Home is not yet entirely fitted up, of furniture.

Members { Lt.-Colonel Lord Wm. F. E. Seymour, A.Q.M.G.

Honorary Secretary—Captain E. J. Lugard, D.A.Q.M.G.

Head Mistress—Miss Whereat.

Second Mistress—Miss Creagh.

REGULATIONS.

1. The School is for the instruction of the children of officers.

2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the D.A.A.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per annum: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the D.A.A.G. It is to be understood that the children must be ready to the minute named.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm."

Lady Steele.

Lady Elphinstone

Mrs. Longman

Mrs. Newcome.

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Ident.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Crèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.
5. Assistance to young women out of place in providing temporary homes, &c.
6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.

Any orders for work will be gladly received and carefully executed.

Colonel O. H. Owen, R.A.

Honorary Secretary—Captain E. J. Lugard, D.A.Q.M.G.

REGULATIONS.

1. The School is for the instruction of the children of officers.

2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per annum: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the A.Q.M.G. It is to be understood that the children must be ready to the minute named.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

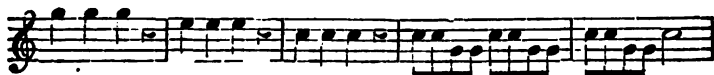

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm."

PATRONESSES :

Lady Steele.

Lady Elphinstone

Mrs. Longman

Mrs. Newcome.

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Orâches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.
5. Assistance to young women out of place in providing temporary homes, &c.
6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.

REGULATIONS.

1. The School is for the instruction of the children of officers.

2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per mensem: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the A.Q.M.G. It is to be understood that the children must be ready to the minute named.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

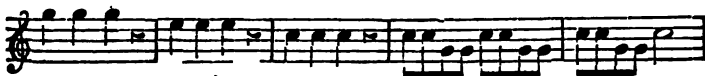

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm,"

AMUSEMENTS.

GENERAL COMMITTEE FOR CLUB HOUSE AND GROUNDS.

President—Major-General Sir F. W. J. FitzWygram, Bart.

Members—The C.R.E., The A. A. General, or A. Q. M. General, and a Representative from the Sub-Committee of each Amusement.

Secretary—Captain W. Bennett, D.A.A.G.; for Musketry.

The Club House is kept up entirely at the expense and for the use of the Officers of the Division; the Committee therefore relies upon receiving the customary support from the Division, in the form of voluntary regimental or individual subscriptions.

It is calculated that a sum of £5 from each Regiment on arrival, with a like amount annually from the R.A., R.E., Commissariat, and such other Corps or Departments as are permanently represented in the Division, and 10s. each from Staff and other Officers not connected with regiments, will suffice to maintain the establishment in a state of efficiency.

Annual Subscription to be considered due on 1st October, and to be sent to the Secretary.

OFFICERS' DRAMATIC CLUB.

President - - - - - M. General F. Peyton

Secretary - - - - - Capt. M. J. Lugard, D.A.Q.M.G.

All Officers of the Division and their families are considered Members, and are eligible to take part in the performances.

The names of Gentlemen and Ladies willing to act to be sent to the Secretary

OFFICERS' MUSIC SOCIETY.

Afternoon concerts will be given by the Officers of the Division, their families and friends in the Club House, as often as possible, programmes with the hour and date will be circulated some few days in advance.

One Shilling is charged for admission, which includes tea and coffee.

President—

Music Director—Captain C. W. B. Bell, 8th Hussars.

Those who may be inclined to assist are requested to send in their names.

During the winter months there is an instrumental promenade concert (military band) in the Club House from four to six every Wednesday afternoon on which there is not to be an "Officers Music Society" concert. No announcement beyond the notice at foot of Divisional Orders of the band that will perform, is made of these weekly concerts.

The charge for admission to them is sixpence, which includes afternoon tea.

OFFICERS' CRICKET CLUB.

President - - - - - M. General F. Peyton

Mrs. Harold Browne. Lady Steele. Lady Elphinstone
Mrs. Longman Mrs. Newcome.

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Crèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.

6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.

1. The School is for the instruction of the children of officers.

2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per mensem: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children, at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the A.Q.M.G. It is to be understood that the children must be ready to the minute named.

Are at the Asst. Stations.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

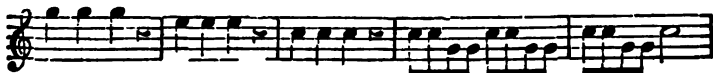

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Cæsar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted below the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm,"

Lady Elphinstone

Mrs. Newcome.

TREASURER:

Major Stuart Nicholson, R.H.A.

HON. SECRETARY:

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Orèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.
5. Assistance to young women out of place in providing temporary homes, &c.
6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.

Any orders for work will be gladly received and carefully executed.

The Aldershot Depot of the Naval and Military Bible Society is at the Mission-hall, where their publications may be purchased.

Fees, per mensem: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. 5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. Are at the Asst. Adjutant General's Office, Q lines, S.C. and the Cavalry, 2nd Infantry, and 3rd Infantry Brigade Offices; and are open on week days for the transmission of telegrams from 9 a.m., till 8 p.m., or later if necessary, and on Sundays from 1st May till 31st August, from 7 p.m., till 8.30 p.m.

Official Messages connected with the Arrival or Departure of Troops, or Messages on the Railway Companies' business, such as the ordering of horse boxes, &c., can be sent free by Officers of the Division from any of the Military Telegraph Offices to the Station-Masters at either the Aldershot (S.W.R.), Farnboro (S.W.R.), or Aldershot (North) Camp (S.E.R.) Stations.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

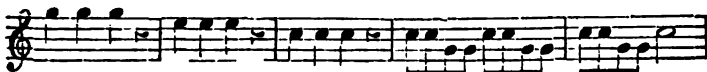

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm,"

Lady Steele.

Lady Elphinstone

Mrs. Longman

Mrs. Newcome.

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Orches.
3. Establishment of Mothers' Meetings.

REGULATIONS.

1. The School is for the instruction of the children of officers.
2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.
3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.
4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per mensem: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.
6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.
7. The subjects of instruction are English in all its branches, French, Latin, Glass Singing, with the Theory of Music and Needlework.
8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the A.Q.M.G. It is to be understood that the children must be ready to the minute named.

Stations.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Beveille; and at 9.30 p.m.

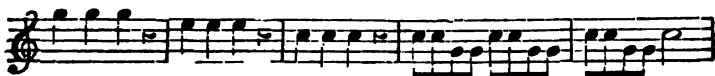

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm."

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Crèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.

6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.

Members { Lt.-Colonel Lord Wm. F. E. Seymour, A.Q.M.G.
Colonel W. B. Gosset, R.E.

Honorary Secretary—Captain E. J. Lugard, D.A.Q.M.G.

REGULATIONS.

1. The School is for the instruction of the children of officers.

2. Children may be admitted to the school at four years of age. Boys cannot remain in the school beyond the end of the term in which they reach the age of ten years. Children under seven years of age are charged half rates.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per annum: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

13. Transport is provided for children from the North Camp and town of Aldershot, on application to the Honorary Secretary, office of the A.Q.M.G. It is to be understood that the children must be ready to the minute named.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill, at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

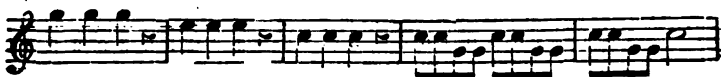

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm,"

ALDERSHOT AND FARNBOROUGH LADIES' ASSOCIATION.

PRESIDENT :

The Bishop of the Diocese.

PATRONESSES :

Mrs. Harold Browne.

Lady Steele.

Lady Elphinstone

Mrs. Longman

Mrs. Newcome.

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Crèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.
5. Assistance to young women out of place in providing temporary homes, &c.
6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. 3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.

4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per mensem: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.

Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.

5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.

6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.

7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.

8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.

9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

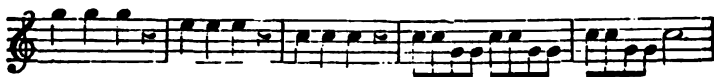

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm"

ALDERSHOT AND FARNBOROUGH LADIES' ASSOCIATION.

PRESIDENT :

The Bishop of the Diocese.

PATRONESSES :

Mrs. Harold Browne.

Lady Steele.

Lady Elphinstone

Mrs. Longman

Mrs. Newcome.

TREASURER :

Major Stuart Nicholson, R.H.A.

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Orèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Niecelework.
5. Assistance to young women out of place in providing temporary homes, &c.
6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.

3. School hours—from 9 to 12 in the morning, and from 2 to 4 in the afternoon. Regular afternoon attendance is expected from the older children. In the cases of little children, unable to read and write, this is left to the discretion of parents. Saturday is a whole holiday.
4. The fees and other charges are payable in advance to the Honorary Secretary, at the office of the A.Q.M.G., to whom, as Honorary Secretary, all communications are to be addressed, and not by name. Fees, per mensem: Field Officers, £1 2s. 6d.; Captains and Subalterns, £1; children under seven years of age, half rates.
Should more than one child of the same family attend, a reduction of one-fifth of the above rate is made in the case of children over seven years of age, for every additional child. No charge for less than one month, except when the summer and Christmas holidays intervene, or when children first enter the school.
5. A charge of 1s. per month for each child is made for the use of slates, stationery, maps, books, materials for needlework, &c., used in the school. These articles can be used at home, but the value of any books lost, or injured through carelessness, will be charged to the parents. All text books are ordered by the Committee.
6. The holidays are three weeks at Christmas, a week at Easter, and six weeks in the summer.
7. The subjects of instruction are English in all its branches, French, Latin, Class Singing, with the Theory of Music and Needlework.
8. Instruction in Music and Drawing will be given when required, as extra subjects, to be specially arranged for with the Head Mistress. These subjects to be taught out of the regular school hours.
9. Religious instruction is given once a week by the ministers of the respective creeds. Attendance of the children at this lesson is optional on the part of parents.

10. The children are drilled for about half-an-hour daily.

11. Parents on first sending their children to school will send a memorandum with them showing each child's name, age, and date of birth, name and rank of father; a printed form can be obtained for this purpose from the Honorary Secretary.

12. Notice of withdrawal must be sent to the Honorary Secretary one month before the removal of a child from the School, in default of which the school fees for that period will be charged. Exception to this rule will be made in the case of officers who, from being suddenly ordered to leave the station, are unable to give the required notice. It is particularly requested that notice of temporary absence for sickness or any other cause may be sent to the Head Mistress. If the absence is for a whole month, notice should also be given to the Honorary Secretary.

TELEGRAPHS.

The Post Offices are open for the transmission of telegrams on week days at Aldershot Camp and Farnboro' Road from 8 a.m. till 8 p.m., and at Aldershot Town and Farnboro' Station from 7 a.m. till 9 p.m., and on Sundays from 8 till 10 a.m., and 5 till 6 p.m., at all offices except the Farnboro' Road Office, which is closed upon Sundays.

THE MILITARY TELEGRAPH OFFICES

Are at the Asst. Adjutant General's Office, Q lines, S.C. and the Cavalry, 2nd Infantry, and 3rd Infantry Brigade Offices; and are open on week days for the transmission of telegrams from 9 a.m., till 3 p.m., or later if necessary, and on Sundays from 1st May till 31st August, from 7 p.m., till 8.30 p.m.

Official Messages connected with the Arrival or Departure of Troops, or Messages on the Railway Companies' business, such as the ordering of horse boxes, &c., can be sent free by Officers of the Division from any of the Military Telegraph Offices to the Station-Masters at either the Aldershot (S.W.R.), or Farnboro (S.W.R.) Stations.

GARRISON TIME, SIGNALS, AND CALLS.

The Garrison time is regulated by the discharge of a gun on Thorn Hill at 1 p.m. daily. At this hour the gun is fired by electric current direct from Greenwich. The gun is also fired daily at Reveille; and at 9.30 p.m.

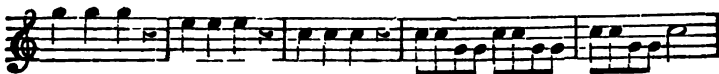

A Cone hoisted on the gaff of the Flag-Staff in the enclosure of the Commander-in-Chief's hut, South Camp, signifies that ball practice is postponed on the Rifle Ranges at Caesar's Camp, consequent on the strength of the wind. A Red Flag hoisted on the Flag Staff in the North Camp postpones, for a like cause, ball practice on the ranges at Ash.

The Flag at the Head Quarter Hut will be hoisted on the arrival of the General in Camp, and struck on his departure.

A Black Ball hoisted *below* the Flag at Head Quarters will be the signal for the troops not to fall in at the hour previously named for Divisional Parade, but to be held in readiness to turn out at the shortest notice. When the Black Ball is hoisted *alone*, the parade is cancelled.

Should the weather be considered unfit for Public Guard Mounting, a Black Ball will be hoisted at the Head-Quarter Flag-Staff, when Guards will mount from Brigade Parades.

The following Call has been adopted in this Camp as a "Fire Alarm"

Forms of application for admission to the houses in Denmark Street, New Town, are to be obtained from Sergt.-Major O'isham, Gymnasium; for admission to the houses in Queen's Road, West End, from Staff Sergeant Cartwright, at the A.Q.M.G.'s Office, or at 26 hut, M lines, South Camp, and for admission to Finch's Buildings, North Camp, to Sergeant O'Leary, Fire Brigade Station, F lines, North Camp.

TREASURER :

HON. SECRETARY :

Lieut.-Col. Lord William Seymour, Coldstream Guards.

It having been found that the Aldershot Ladies Association was too restricted in its action to reach the whole of the rapidly increasing population brought together by the Camp, it was resolved at a meeting held at the Club House, Aldershot Camp, on the 15th January, 1879, that the Association should be extended to both districts of Aldershot and Farnborough Parishes, and that a Central Committee should regulate the general action of the Association ; while Sub-Committees, in connection with the Clergymen of the respective Parishes, should attend to the details of administration. With this organization it is hoped, if sufficient funds are forthcoming, that the Association may be able to found and carry on in each Parish some such work as that described below.

OBJECTS.

1. Assistance to women and children in sickness or distress.
2. Formation of Crèches.
3. Establishment of Mothers' Meetings.
4. Establishment of Ladies' Meetings for Needlework.
5. Assistance to young women out of place in providing temporary homes, &c.
6. Night classes for boys and girls.
7. Assistance in the maintenance of deaconesses, mission women, and nurses.
8. Establishment of Clothing and Provident Clubs.

The first expenses have, of course, been heavy, and the bulk of the Annual Subscriptions are not due till October, the Association is consequently in want of funds, and subscriptions or donations will, therefore, be most thankfully received. They may be paid either to the London and County Bank, or to the Hon. Secretary, or to the Treasurer.
